

## Podcast About ASHRAE 90.1 Updates

Written by Paul Natcher

Tuesday, 23 December 2014 13:56

---

The latest Commercial Conversation podcast is now available. Gary and I talked about office design, [ASHRAE](#) Standard 189.1, critiquing the new World Trade Center building, and some new products from [Icynene Inc.](#) and others.

Here is the link: <http://commercialconversation.com/gary-and-paul-industry-news-3/>
